Asiaone Express (M) Sdn Bhd

About us

- ✓ 100 % locally based with Malaysian shareholders and directors.
- ✓ Our directors and partners each have over 15 years' experience in their respective markets, and reputation for quality customer service and professionalism.
- ✓ We have three bases in Malaysia; Shah Alam, Kuching and Kota Kinabalu from which we cover all of Malaysia.
- ✓ We have a network of four agent-partners throughout East Malaysia .
- ✓ We are among the few in Malaysia with trucks fully equipped with GPS and RF technology.

flexible solutions for your business needs

We believe in service and we enjoy what we do.

- ✓ We keep in constant contact with our clients and believe we are able to meet, if not exceed, their expectations and standards.
- ✓ Our management team has more than 15 years experience in the logistics industry. Our customer support teams are well trained in handling any of your shipping needs.
- ✓ Senior supervisors are always on hand to ensure our standards are strictly followed.
- ✓ The pickup crew are comprehensively trained and have undergone a probationary period prior to joining the in-house crew.
- ✓ Our long-term relationship and contracts with Malaysia Airline and Airasia, give us access to unlimited cargo space.

** conditions apply

Our services

- ✓ Unlike many parcel delivery companies, we can deliver any size of parcel and any weight of parcel to and from any location in East Malaysia.
- ✓ When your item has to be delivered on time, our Next Day Delivery will give you the peace of mind to know it'll be guaranteed to get there.
- ✓ Fast direct delivery service reduces the need for warehousing at destination and cutting inventory costs.

high value security solutions

WE pride on flexible and creative approach to meet our customer's freighting and door to door delivery needs.

Our personnel are among the highly trained, experienced professionals and certified individuals dedicated to serving the specific needs of our customers. This has earned the confidence from many companies by meeting their needs in their trade.

Through the years, we have implemented the following to improve customers' experience :-

- ✓ In house track and trace IT management solutions
- ✓ Global Positioning System (GPS) on all trucks
- ✓ Utilization of 2-way radios to communicate with drivers
- ✓ Armed Escort by well established security company
- ✓ Strong room storage in KL International Airport
